**Subject:** Dimock stragglers for sampling

Ex. 6 - Personal Privacy - left messages w/his wife on 1/30 and 2/2. I spoke to her on 2/7 and she was going to try to work something out. She could not miss work and does not live at the house, there is no water/electric at the house. She never returned that call and did not answer subsequent calls. I have no valid address for her and Ex. 6 - Personal Privacy

Ex. 6 - Personal Privacy - I left numerous messages on a machine and also left one with his wife. He did not return any of those calls and did not respond the certified letter sent on February 8th.

Ex. 6 - Personal Privacy - I did not have a valid phone number for him. He was sent a certified letter on February 8th that he did not respond to.

Ex. 6 - Personal Privacy are part of the lawsuit. You also notified their attorney that he could contact me to schedule sampling for them, but I have not been contacted to date.
